|-----------------|--|
| SHIFT + FWD     | Sort current Library/Crate/Panel View by <b>album</b>        |
| SHIFT + BACK    | Sort current Library/Crate/Panel View by <b>track number</b> |
| SHIFT + CRATE   | Sort current Library/Crate/Panel View by <b>song</b>         |
| SHIFT + PREPARE | Sort current Library/Crate/Panel View by <b>artist</b>       |
| SHIFT + FILES   | Sort current Library/Crate/Panel View by <b>BPM</b>          |

## SYNC BUTTON FUNCTIONS

### With Beat Grid enabled:

- SYNC: Activates Sync Mode for that Deck.
  - Pressing SYNC on any additional Deck will sync it to the first one.
  - Pressing SYNC on a Deck already in Sync Mode will re-sync it.
- SHIFT + SYNC deactivates Sync Mode for that Deck.

### With Beat Grid disabled:

- SYNC: Activates Auto-Tempo (matches that Deck's BPM to the opposite Deck's BPM).
- SHIFT + SYNC: Deactivates Auto-Tempo for that Deck.
